

Mixxit Multi-Surface Cleaner & Degreaser

Description

A food safe alkaline detergent designed for the cleaning of hard surfaces in a wide variety of industrial environments – including the food processing industry, where its main use is the removal of fatty and protein deposits. Can be used on most surfaces including vinyl, floors and walls.

Directions For Use

Always test on an inconspicuous area before use. Not suitable for use on alkaline-sensitive surfaces. Dilute with water at 1 pumps per 750ml trigger bottle or a 4% dilution when used through the automatic mixing pump. For bucket application dilute with water at 3-4 pumps per 5L bucket of hot water. Apply product to paper wipe. Wipe surface to be cleaned. For best results, leave for 5 minutes then wipe with a damp clean cloth and rinse well.

Product Codes

MXX521

Storage

Store in cool conditions away from direct sources of heat. Avoid extremes of temperature. Do not allow to freeze. Ensure the cap is tightly fitted after use. Keep out of reach of children.

Shelf Life

Shelf life 24 months, if stored as recommended. Use within 6 months of opening.

Environmental

Neat product will cause damage to plant and animal life.

Do not allow large quantities of neat product to enter surface waterways as serious ecological damage may be caused.

In the event of a large spillage, contact the local water authority or Environment Agency immediately.

This product uses recyclable packaging.

Phosphate-free.
