

## Drain & Sink Unblocker

### Description

Heavy-duty drain and sink unblocker which removes both fatty deposits and proteins from drains and plugholes. Used regularly it will help to keep drains clear and running freely.

### Directions For Use

For best results remove any visible loose deposits from plug/drain holes.

Pour 500-1000ml solution down the drain. Leave to act for a minimum of 20 minutes, before flushing with cold water. Do not use a plunger or flush with boiling water as this could cause splashing.

Clear up spillages and avoid contact with aluminium and chrome fixtures and fittings.

### Product Codes

CL-DASU-6X1

### Storage

Store in cool conditions away from direct sources of heat.

Avoid extremes of temperature.

Do not allow to freeze.

Ensure the cap is tightly fitted after use.

Keep out of reach of children.

### Shelf Life

Shelf Life: 12 months.

Protect from frost.

### Environmental

Neat product will cause damage to plant and animal life. Do not allow large quantities of neat liquid to enter surface waterways. In the event of a large spillage, contact the local water authority or Environment Agency immediately. This product uses recyclable packaging.

### Notes

Avoid contact with aluminium & chrome. Do not use with other cleaning chemicals.
